ACADEMIC EMPLOYMENT HISTORY

Professor, Department of Sociology University of British Columbia, Canada	2011–present
Visiting Professor, Institute of Social and Preventive Medicine Universität Bern, Switzerland	2013
Associate Professor, Department of Sociology University of British Columbia, Canada	2006–2011
Visiting Professor, Department of Public Health Sciences University of Toronto, Canada	2006
Assistant Professor, Department of Anthropology and Sociology University of British Columbia, Canada	2000–2006
Postdoctoral Fellow, Department of Health Care and Epidemiology University of British Columbia, Canada	1999–2000

RESEARCH AND TEACHING INTERESTS

Social inequality and health; Cultural sociology; Survey methodology; Social statistics

EDUCATION

PhD in Sociology, McMaster University, Canada	1999
MA in Sociology, McMaster University, Canada	1994
BA in Sociology, University of Waterloo, Canada	1993
BMATH in Pure Mathematics, University of Waterloo, Canada	1992

GRANTS (since 2000)

- 2017 “Multiracial identities and health in Canada.” UBC Faculty of Arts Research Grant (\$4,000).
- 2014 “An intersectional approach to inequalities in physical activity by race, gender, class and sexuality in Canada.” UBC HSS International Travel Grant (\$2,000).
- 2013-16 “Intersectionality and cardiovascular health: Using combined waves of the Canadian Community Health Survey to investigate distinct and intersecting effects of race, gender, class and sexual orientation on cardiovascular health outcomes.” Heart & Stroke Foundation of Canada (\$43,700).
- 2013-14 “Quantitative intersectional analysis of self-rated mental health.” Public Health Agency of Canada (\$24,000).
- 2013-15 “Ethnicity-based differences in emergency department care of patients with symptoms of acute coronary syndrome.” Canadian Institutes of Health Research (\$211,420). With Martha Mackay (PI), Karin Humphries, Jan Kornder, Krishnan Ramanathan, Pamela Ratner and Frank Scheuermeyer.
- 2013 “Capital interplays in the production and reproduction of health inequalities.” UBC Killam Faculty Research Fellowship (\$3,000).
- 2009-10 “Making wise choices: Are Canadians meeting the recommendations of Canada’s food guide?” Centre for Science in the Public Interest, Ottawa (\$15,000). With Jennifer Black (co-PI).
- 2009-10 “Assessing the social and neighbourhood-level determinants of obesity in New York City.” UBC Faculty of Arts Undergraduate Research Award (\$3000). With Jennifer Black (co-PI).
- 2006-09 “Social class and health: Innovative theoretical exploration and empirical confirmation.” Social Sciences and Humanities Research Council of Canada (\$114,764).
- 2006-07 “Global citizens and sustainable societies: Revising curriculum in sociology and beyond.” Office of the Vice President – Academic Programs, UBC (\$47,050). With Neil Guppy (PI) and Renisa Mawani.
- 2004-05 “Mixed mode statistics/survey methods.” Office of the Vice President – Academic Programs, UBC (\$80,000). With Rima Wilkes.

- 2003 “From theory to method and back again: Linking environmental justice, population health and geographic information science.” Peter Wall Institute for Advanced Studies (\$25,000). With Michael Buzzelli (co-PI).
- 2000-05 “Toward a healthy British Columbia.” Canadian Institutes of Health Research (\$99,000).
- 2000-03 “Social exclusion and isolation among income groups.” Social Sciences and Humanities Research Council of Canada (\$310,000). With Linda Reutter and Miriam Stewart (co-PIs), Rhonda Love and Dennis Raphael.
- 2000-03 “Determinants of health at the regional and local levels.” Social Sciences and Humanities Research Council of Canada (\$550,000). With John Eyles (PI), Tom Abernathy, Stephen Birch, Susan Elliot, Ann Herring, Brian Hutchison, Michael Jerrett, Chris Justice, Tina Moffat and Wayne Warry.
- 2000-03 “Resilient communities: Social capital and economic change.” Social Sciences and Humanities Research Council of Canada (\$600,000). With Ralph Matthews (PI), Brian Elliott and Dianne Newell.

AWARDS (since 2000)

- 2013 Izaak Walton Killam Memorial Faculty Research Fellowship (\$15,000)
- 2007-12 Senior Scholar Career Award from the Michael Smith Foundation for Health Research (\$500,000)
- 2007-08 Early Career Scholar Award from the Peter Wall Institute for Advanced Studies (\$6,000)
- 2000-05 New Investigator Career Award from the Canadian Institutes of Health Research (\$500,000)

PRESENTATIONS (since 2000)

“The role of race in emergency department nurses’ initial care of patients with suspected acute coronary syndrome” by MH Mackay, PR Ratner, FX Scheuermeyer, G Veenstra, K Ramanathan, ME O’Sullivan, M Grubisic, C Murray and KH Humphries at the Canadian Cardiovascular Congress, Vancouver, BC, Oct 22, 2017.

“Class position and musical tastes: A sing-off between the cultural omnivorism and Bourdieusian homology perspectives” at the European Sociological Association Conference, Prague, Czech Republic, Aug 27, 2015.

“Capital interplays and the health of young Swiss men” by Thomas Abel and Gerry Veenstra at the European Sociological Association Conference, Prague, Czech Republic, Aug 27, 2015.

“An intersectional approach to inequalities in physical activity by race, gender, class and sexuality” by Gerry Veenstra and Hayfa Abichahine at the 15th Biennial Conference of the European Society for Health and Medical Sociology, Helsinki, Finland, Aug 29, 2014.

“Racial health inequalities in Canada” at the School of Health Studies, Western University, London, Canada, May 27, 2014.

“Health differences between Black and White Canadians: Revisiting Lebrun and LaVeist (2011, 2013)” by Gerry Veenstra and Andrew C. Patterson at the Canadian Society for the Sociology of Health Conference, Montreal, Canada, May 6, 2014.

“Monitoring health inequalities through quantitative intersectional analysis” by Beth Jackson, Heather Greenwood, Sarah McDermott and Gerry Veenstra at the International Conference on Intersectionality, Vancouver, Canada, Apr 24, 2014.

“Intersectionality and hypertension” for the Science Seminar Series, Public Health Agency of Canada, Ottawa, Canada, Mar 19, 2014.

“Racial health inequalities in Canada” at the Department of Sociology, University of Toronto, Toronto, Canada, Oct 17, 2013.

“Capital interplays in the production and reproduction of health inequalities” at the Swiss Sociology Congress, University of Bern, Switzerland, Jun 27, 2013.

“Spaces of freedom and necessity: A field-theoretic approach to understanding health practices” at the Seminar Series for the Institute of Social and Preventive Medicine, University of Bern, Switzerland, Jun 20, 2013.

“Intersectionality theory and hypertension in Canada” at the Canadian Society for the Sociology of Health Conference, Ottawa, Canada, Oct 26, 2012.

“A defence of Bourdieu’s theory of practice from the charge of determinism: Dissolving the agency-structure divide in research on health practices by recourse to doxa and relationally-constituted fields” by Gerry Veenstra and Patrick John Burnett at the Canadian Sociology Association Annual Conference, Waterloo, Canada, Jun 2, 2012.

“Spaces of freedom and necessity: Implementation of a field-theoretic approach to understanding health practices” by Gerry Veenstra and Patrick John Burnett at the Canadian Sociology Association Annual Conference, Waterloo, Canada, Jun 1, 2012.

“An attempt to implement the intersectionality principles of ‘multiplicativity’ and ‘multiple jeopardy’ in quantitative health inequalities research” for the Spring Learning Institute on Intersectionality, Simon Fraser University, Vancouver, Canada, May 3, 2012.

“Beyond the patient: The broader impact of genetic discrimination on individuals at risk of Huntington disease” by Yvonne Bombard, JoAnne Palin, Jan Friedman, Gerry Veenstra, Susan Creighton, Joan Bottorff and Michael Hayden at the World Congress on Huntington’s Disease, Melbourne, Australia, Sep 11-14, 2011.

“Quantitative approaches to researching intersectionality and health” for the Spring Learning Institute on Intersectionality, Simon Fraser University, Vancouver, Canada, May 30, 2011.

“Race, gender, class and sexual orientation: Intersectionality theory and health inequalities in Canada” at the Centre for Health Economics and Policy Analysis, McMaster University, Hamilton, Canada, Nov 23, 2010.

“Investigating the intersecting roles of gender, race, class, neighbourhood context and food availability to predict self-rated health, diabetes and obesity in the neighbourhoods of Toronto and New York City” by Gerry Veenstra and Jennifer Black at the Urban Affairs Association Conference, Honolulu, Hawai’i, USA, Mar 11, 2010.

“Race, gender, class and sexual orientation: Intersectionality theory and health inequalities in Canada” at the British Medical Sociology Association Conference, Manchester, England, Sep 5, 2009.

“Race, gender, class and sexual orientation: Intersectionality theory and health inequalities in Canada” at the American Sociological Association Annual Meetings, San Francisco, USA, Aug 8, 2009.

“Race, gender, class and sexual orientation: Intersectionality theory and health inequalities in Canada” at the Dalla Lana School of Public Health, University of Toronto, Toronto, Canada, Jul 20, 2009.

“Investigating the intersecting roles of gender, race, class, neighbourhood context and food availability to predict self-rated health, diabetes and obesity in the neighbourhoods of Toronto and New York City” by Jennifer Black and Gerry Veenstra at the Association of American Geographers 2009 Annual Meeting, Las Vegas, Nevada, USA, Mar 23, 2009.

“Race, gender, class and sexual orientation: Intersectionality theory and health inequalities in Canada” at the University of Victoria Department of Sociology, Victoria, Canada, Mar 19, 2009.

“Social space, social class and health” at the Successful Societies Meeting, Canadian Institute for Advanced Research, Vancouver, Canada, Jan 18, 2008.

“Race, gender, class and sexual orientation: Intersectionality theory and health inequalities in Canada” at the Health Psychology Speaker’s Series, UBC, Vancouver, Canada, Nov 19, 2007.

“The Canadian field of power: Social capital and social class” for the British Sociological Association Annual Conference, University of East London, England, Apr 14, 2007.

“Social space, social class and health” at the Department of Public Health Sciences, University of Toronto, Toronto, Canada, Oct 18, 2006.

“Careers open to talent: Educational credentials, cultural talent and skilled employment” by Bruce Garnett, Neil Guppy and Gerry Veenstra for the Canadian Society for the Advancement of Higher Education Annual Conference, York University, Toronto, Canada, May 31, 2006.

“Who do they think we are? Low-income people’s responses to and perceptions of responses to poverty stigma” by Linda Reutter, Miriam Stewart, Dennis Raphael, Rhonda Love, Gerry Veenstra, Susan McMurray and Edward Makwarimba at the 12th Qualitative Health Research Conference, Westin Hotel, Edmonton, Canada, Apr 3, 2006.

“Social class and health: Can Pierre Bourdieu inform health research?” for the 26th Annual Meeting of the Hawai’i Sociological Association, Ala Moana Hotel, Honolulu, Hawai’i, USA, Feb 12, 2005.

“Income, social exclusion and isolation: Implications for health education and promotion,” by Rhonda Love, Miriam Stewart, Linda Reutter, Dennis Raphael, Gerry Veenstra, Susan McMurray and Edward Makwarimba for the 132nd annual meeting of the American Public Health Association, Washington DC, USA, Nov 8, 2004.

“Culture and social organization” by Gerry Veenstra and Brian Wilson for the Vancouver workshop of the ‘Developing a Research Program on Globalization, Social Organization and Health’ research project, UBC, Vancouver, Canada, Apr 22, 2004.

“Insights from the *Toward a Healthy British Columbia* project” for the Vancouver workshop of the ‘Developing a Research Program on Globalization, Social Organization and Health’ research project, UBC, Vancouver, Canada, Apr 22, 2004.

“From theory to method and back again” (with Michael Buzzelli) for the Peter Wall Institute of Advanced Studies, UBC, Vancouver, Canada, Nov 12, 2003.

“Sociology of health: Philosophical and theoretical variations” for the Western Regional Training Centre, UBC, Vancouver, Canada, Apr 24, 2003.

“Social class, social networks and capitals (social, economic and cultural)” for an exploratory workshop organized by Michael Buzzelli and Gerry Veenstra at the Peter Wall Institute of Advanced Studies, UBC, Vancouver, Canada, Nov 1, 2003.

“Environmental justice, socio-economic status, place and health, (with Michael Buzzelli) for an exploratory workshop organized by Michael Buzzelli and Gerry Veenstra at the Peter Wall Institute of Advanced Studies, UBC, Vancouver, Canada, Oct 31, 2003.

“Perceived and actual relative social position and self-rated health in spatially-defined reference groups: Results from a Canadian survey,” by James Dunn and Gerry Veenstra for the 10th International Medical Geography Symposium, University of Manchester, Manchester, England, July 17, 2003.

“Poverty and its effects: Insider and outsider perspectives,” by Linda Reutter, Miriam Stewart, Edward Makwarimba, Sylvia So, Susan McMurray, Dennis Raphael, Gerry Veenstra and Rhonda Love for the 2003 Canadian Public Health Association Conference, Calgary, Canada, May 10, 2003.

“Left Out: Perspectives on Social Exclusion in Low Income Populations,” poster presentation by Susan McMurray, Rhonda Love, Edward Makwarimba, Dennis Raphael, Linda Reutter, Miriam Stewart and Gerry Veenstra for the Social Determinants of Health conference, York University, Toronto, Canada, Nov 29, 2002.

“Explicating social capital: Trust and participation in the civil space” for the Canadian Sociology and Anthropology Association at the 2002 Congress, University of Toronto, Toronto, Canada, May 30, 2002.

“Social capital, economic activity and health,” for the Canadian Sociology and Anthropology Association at the 2001 Congress, Laval University, Quebec City, Canada, May 27, 2001.
